

# MySmartMoney

## FINANCIAL STABILITY

**MySmartMoney** is an interactive, free and consumer-friendly website that offers simple, useful tips and tools to help anyone manage their money, anywhere at any time. **MySmartMoney**, powered by SunTrust Foundation, walks users through simple, concrete steps for tackling real-life problems that impact their financial landscapes.

**MySmartMoney** provides steps to help users:

- Set a budget
- Reduce Debt
- Begin saving
- Improve Credit

**MySmartMoney** provides useful tips and tools to help anyone manage money better, particularly with the following:

- Addressing immediate challenges, ranging from identity theft to struggles with paying bills
- Getting smarter about your money, including saving, reducing debt, or improving credit
- Planning for your future, including saving for college or planing for retirement

No matter your goals, everyone can benefit from information to make better decisions about your money. If you're saving for that new car, planning your next vacation or trying to cut down credit card debit, you can benefit from the advice that **MySmartMoney** can offer.
